IRWIN Bi-Metal blue safety blades

- > Snub nose design helps to reduce the risk of accidental puncture wounds
- > High-speed steel gives a hardened cutting edge that stays sharp three times longer than carbon blades
- > Spring steel allows the blade to bend without accidentally breaking
- > 2 notches, fits most standard utility knives
- > Soft snap technology - for breaking a new edge confidently
- > High speed steel
- > Order qty: 1 pack (= 5 blades)

You must be 18 years old or over to buy this bladed product
